

Venue

HICO (Hwabaek International Convention Center), Gyeongju, Korea.

Nestled in the heart of Gyeongju — the ancient capital of a thousand years, HICO is the perfect venue for international conferences, exhibitions, and cultural events.

Surrounded by the city's rich history and natural beauty, HICO offers state-of-the-art facilities in a welcoming and comfortable environment. Seamlessly blending the millennium-old legacy of the Silla Dynasty (BC57 - AD935) with modern infrastructure, it provides a truly unique and memorable experience for participants from around the world. (<https://hico.or.kr/>)

Accommodation

Hilton Hotel Gyeongju, Korea is the main hotel for the conference. Conveniently located just a 2-3 minutes walk from the conference venue (HICO), this five-star international hotel offers high-quality service and a relaxing atmosphere for all guests. (<https://www.hilton.com/>)

A variety of other hotels are also available in the vicinity, ranging from luxury to budget options.

For more information and booking details, please visit the official event website.

33rd WiN GLOBAL ANNUAL CONFERENCE

*Nuclear Energy for
New Challenges*

30 March - 3 April 2026
Gyeongju, Republic of Korea

Welcome Message

Join Us in Gyeongju, Korea for the 33rd WiN Global Annual Conference.

We are delighted to invite you to the 33rd WiN Global Annual Conference, taking place in the historic city of Gyeongju, Korea - a timeless setting where tradition meets innovation.

Under the theme "*Nuclear Energy for New Challenges*," this global gathering will bring together passionate professionals and advocates from around the world to explore the evolving role of nuclear energy in shaping a more sustainable and innovative future.

From engaging sessions to invaluable networking opportunities, this conference is a unique platform to exchange ideas, inspire one another, and drive progress together.

Be part of the change. Be part of the future. See you in Gyeongju.
