

Tenure-Track Faculty Position

**Department of Nuclear & Quantum Engineering
Korea Advanced Institute of Science and Technology (KAIST)**

The Department of Nuclear & Quantum Engineering at the Korea Advanced Institute of Science and Technology (KAIST) invites applications for a tenure-track faculty position in the field of reactor physics. We seek outstanding candidates who will contribute to education and research across the broad area of reactor physics, including but not limited to high-fidelity analysis, design of advanced reactor systems, and other related areas in reactor physics.

Applications will be accepted **from April 1, 2026 to May 14, 2026** (18:00 Korean Standard Time). Review of applications will begin upon receipt, and selected candidates through the initial document screening will be invited for on-site interviews, which may be conducted online.

The anticipated start date is March 2027, although this may be negotiable.

Applicants must hold a Ph.D. degree in nuclear engineering or a closely related field by the time of appointment. Successful candidates are expected to demonstrate strong potential to develop an internationally recognized research program and provide excellent teaching at both undergraduate and graduate levels. Candidates with established records of outstanding research and teaching may be considered for appointment with tenure.

The Department of Nuclear & Quantum Engineering at KAIST is committed to equal employment opportunity, and female applicants are strongly encouraged to apply.

Applicants should submit the following materials to nqe_admin@kaist.ac.kr:

- Application form, including research and teaching plans (available under *Career* at the bottom of the KAIST homepage: <https://www.kaist.ac.kr/en/>)
- Curriculum Vitae
- Copies of five key publications
- Any additional supporting documents relevant to the application

Review of applications will begin once all required materials have been received. After the first round of review, selected candidates will be contacted and asked to submit additional materials, including reference letters.

For further information, please contact: nqe_admin@kaist.ac.kr.
